Revised Part 200 Uniform Requirements

Key Takeaways

- OMB sets forth Federal government-wide guidance for Federal assistance (e.g., grants and cooperative agreements) in Part 200 Uniform Requirements.
- Revised Part 200 Uniform Requirements took effect on **October 1, 2024**.
- Generally, the revisions relax (rather than impose) restrictions on applicants and recipients.
- Implementation may vary across federal agencies.
- For DOJ awards:
 - The **date of the action under the award** (not the date of the award) is the determining factor as to which Part 200 requirements apply.
 - **Prior approvals and Grant Award Modifications (GAMs)** are often required to apply the updated guidance to existing awards.

Timing and Recipient Award Actions

When was the action taken?	Before October 1, 2024	On or after October 1, 2024
Which version applies?	Previous Part 200 Uniform Requirements.	Updated Part 200 Uniform Requirements.
How do updates apply?	Updates cannot be retroactively applied to grant award actions prior to October 1.	Prior approval via a Grant Award Modification (GAM) often required.
What types of recipient award actions would apply?	N/A	• Obligating or incurring project costs • Making subawards or entering into procurement contracts • Negotiating (or re-negotiating) indirect cost rates • Budget and award modifications

Notable Updates for OJP Recipients

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

Award Acceptance

The grant award agreement is a legally binding contract with the federal government.

- The Authorized Representative accepts the award electronically in JustGrants.
- Applicants have 45 days to accept the award through JustGrants from the date of award notification, but if you need more time contact your BJA Grant Manager.
- Training resources for award acceptance are available here: <https://justicegrants.usdoj.gov/training/training-grant-award-acceptance>.

NOTE: If your agency is contemplating declining the award agreement, please first contact BJA to discuss the situation.

The **Entity Administrator** (EA) assigns the **Grant Award Administrator** and **Financial Manager** in JustGrants. The EA also confirms the **Authorized Representative** that was assigned to the application.

Instructions begin on page 11:

<https://justicegrants.usdoj.gov/sites/g/files/xyckuh296/files/media/document/jarg-grantee-accept.pdf>

If the Authorized Representative needs to be changed prior to award acceptance, the EA can register the correct person in DIAMD/JustGrants and change the role assignment.

See entity management guidance beginning on page 16:

<https://justicegrants.usdoj.gov/training/jarg-entity-management.pdf>

After the role assignments have been made and the Authorized Representative has been confirmed or reassigned, the award agreement will be in the Authorized Representative's worklist to be reviewed and accepted.

See page 17:

<https://justicegrants.usdoj.gov/sites/g/files/xyckuh296/files/media/document/jarg-grantee-accept.pdf>

After the award has been accepted the award status in JustGrants will be either **PENDING-ACTIVE** or **PENDING-ASAPNOTIFICATIONSENT**.

Accessing Funds

- Award accepted in JustGrants.
- Entity registration in the U.S. Treasury's Automated Standard Application for Payments (ASAP) system (<https://www.fiscal.treasury.gov/asap/>).
- Addressing holds on funds related to withholding award conditions, if applicable.
- Addressing suspension of ASAP account (System for Award Management (SAM) registration expired or delinquent reports), if applicable.

Automated Standard Application for Payments

The Automated Standard Application for Payments (ASAP) is a completely electronic system that federal agencies use to quickly and securely transfer money to recipient organizations.

Federal agencies enroll recipient organizations, authorize their payments, and manage their accounts. Recipient organizations then request payments from these pre-authorized accounts.

Recipient organizations include state and local governments, educational and financial institutions, vendors and contractors, profit and non-profit entities and Indian tribal organizations.

ASAP is free for both federal agencies and recipient organizations.

Bureau of Justice Assistance
U.S. Department of Justice

Accessing Funds: ASAP

- **Current** or former OJP grant recipient with an active ASAP account
No additional action in ASAP unless another user must be added
- **New** OJP grant recipient
 - After the award is accepted in JustGrants, your agency's EA will receive two emails from ASAP (DoNotReply.asap@mail.twai.gov) to begin the registration process.
 - To have the ASAP registration email resent and/or for assistance registering in ASAP, contact OCFO Customer Service at ask.ocfo@ojp.usdoj.gov or 800-458-0786.
 - ASAP resources available here: <https://justicegrants.usdoj.gov/resources/asap>

Award Conditions: Overview

Grantees are responsible for adhering to all applicable award conditions.

- Award conditions 1 - 31 apply to all OJP awards.

Resource: <https://www.ojp.gov/funding/explore/legaloverview2024/mandatorytermsconditions>

- Award conditions 32+ are specific to the program and your award.
- **There may be one or more withholding award conditions, which prevent expenditure and draw down of funds until the condition is met.**

Award Conditions: Withholding

Withholding award conditions prohibit expenditure or draw down of funds until:

- Specified action or document is approved by BJA
- Award Condition Modification (ACM) approved

Your BJA Grant Manager will provide guidance on how to address active withholding conditions.

Most common withholding conditions:

- Budget not cleared/approved or questioned costs (this condition allows access to up to 10 percent of funding)
- Missing or insufficient application information (for example, missing proposal narrative)
- Additional approvals needed based on type of project (for example, projects with environmental impact)

Resource:

https://justicegrants.usdoj.gov/sites/g/files/xyckuh296/files/media/document/FINAL_EXT_Awd-Conditions-JARG_072021.pdf

Budget/Financial: Budget Clearance

- If the award budget was not cleared/approved prior to award notification, changes may be required and OJP/BJA must approve it before you can access the funds.
- Most common reasons a budget not cleared/approved
 - Misclassification of costs
 - Insufficient detail on calculation and/or narrative
 - Unallowable or questioned costs

Budget/Financial: Unallowable Costs

All costs must be **allowable**, **reasonable**, **allocable**, and **necessary** to the project per the [DOJ Grants Financial Guide](#) and [2 C.F.R. 200](#). Examples of unallowable costs include but may not be limited to:

Costs that are not reasonable or necessary for the performance of the federal award

Costs specified as unallowable in the program notice of funding opportunity

Lobbying or fundraising

Unmanned aerial vehicles/systems (UAVs/UASs)

Prohibited and controlled equipment, consistent with [Executive Order \(EO\) 14074](#), per OJP policy

Land Acquisition

Entertainment

Supplanting state or local funds

Administrative: Grants Financial Management Training

The Grant Award Administrator and Financial Manager must complete training within 120 days of grant acceptance unless previously completed in the last three years.

- If the Grant Award Administrator and/or Financial Manager change, they will have 120 days to complete their training from the day they are added within the JustGrants system.
- For certain recipients, funds will be withheld until completed.
- Register for training
 - **In person:** <https://gfmts.training.ojp.gov/>
 - **Online:** <https://onlinegfmt.training.ojp.gov/>
- Submit Grants Financial Management Training certificates to your BJA Grant Manager.

Administrative: Subawards and Procurement Contracts

A **subaward** is for the purpose of carrying out a portion of a federal award and creates a federal assistance relationship with the subrecipient. **Characteristics that support the classification of a subrecipient include** when the non-federal entity:

- Determines who is eligible to receive what federal assistance
- Has its performance measured in relation to whether objectives of a federal program were met
- Has responsibility for programmatic decision-making
- Is responsible for adherence to applicable federal program requirements specified in the federal award
- In accordance with its agreement, uses the federal funds to carry out a program for a public purpose specified in authorizing statute, as opposed to providing goods or services for the benefit of the pass-through entity

A **[procurement] contract** is for the purpose of obtaining goods and services for the non-federal entity's own use and creates a procurement relationship with the contractor. **Characteristics indicative of a procurement relationship** are when the contractor:

- Provides the goods and services within normal business operations
- Provides similar goods or services to many different purchasers
- Normally operates in a competitive environment
- Provides goods or services that are ancillary to the operation of the federal program
- Is not subject to compliance requirements of the federal program as a result of the agreement, though similar requirements may apply for other reasons

Administrative: Subawards

All subawards under a federal award require prior approval by the funding agency. The method of prior approval varies by grant program.

The grant recipient serves as the Pass-Through Entity and **must have policies and procedures in place for managing and monitoring subawards** consistent with federal requirements.

Pass-Through Entity requirements include but are not limited to:

- Assessing risk of each subrecipient
- Passing on award conditions via subaward agreement
- Monitoring each subrecipient's performance and compliance

Administrative: FFATA Reporting on Subawards

- Federal Funding Accountability and Transparency Act (FFATA) requires prime recipients of awards $\geq \$30,000$ to report subaward and executive compensation data on first-tier subawards $\geq \$30,000$.
- Recipients must submit the FFATA report in FSRS (www.fsrs.gov) by the end of the following month in which the subaward was issued.
- User guides, FAQs, helpdesk and online demos are available at www.fsrs.gov/resources.

Administrative: Procurement Contracts

All procurement transactions must be conducted in a manner to provide, to the maximum extent practical, open and free competition.

Prior written approval must be requested before executing a non-competitive (sole source) procurement over \$250,000. This does not apply to States or Indian Tribes. Budget clearance is not approval.

States and Indian Tribes must follow the same policies and procedures they use for procurements from their nonfederal funds. See [2 C.F.R. § 200.317](#).

All other nonfederal entities, including subrecipients of a state, must follow [2 C.F.R. § 200.318](#) through [§ 200.326](#).

For more information, see [Chapter 3.8 of the DOJ Grants Financial Guide](#) and the [DOJ Guide to Procurement Procedures](#).

The Final FFR and Final Performance Reports are due 120 days from the project end date.

Important Reporting Tips

Federal Financial Reports (SF-425)	Performance Reports
• Report funds obligated and/or expended, NOT draw-down amounts. • Ensure funds that have been obligated align with approved budget. • Report for every quarter regardless of whether expenses were incurred. • Report CUMULATIVE amounts each quarter.	• Answer performance measure questions directly in JustGrants or in the Performance Measurement Tool (PMT) – depending on program. • Provide BJA Grants Manager an accurate summary of progress to date. • Report must be submitted even if no activities occurred in report period. • 14-day grace period after due date of regular reports before access to funds is suspended

The ASAP account will be **suspended** automatically if a report is delinquent, and funds will not be available until it has been submitted. Late reports also influence how your award risk is assessed by OJP and may affect subsequent applications.

Grant Award Modifications (GAM)

Programmatic

- Programmatic Costs GAM (costs requiring prior approval)
- Scope Change GAMs (alter programmatic activities, add subaward, change the project site, or change key staff)

Financial

- Budget Clearance GAM
- Budget Modification GAM (moving more than 10% of funds, or adding \$ into category previously \$0)
- Sole Source GAM for any sole source procurement in excess of simplified acquisition threshold (currently \$250,000)

Project Period

Generally, no more than one extension not to exceed 12 months. OJP will consider exceptions on a case-by-case basis.

BEST PRACTICE: Contact your BJA Grant Manager if you have questions prior to submitting a GAM.

Award Monitoring

General
Oversight

- Recipients are required to participate.
- Monitoring is conducted remotely or on site.
- Involves a full review of grant award documents and interviews of key project staff.
- Letter issued with results, to include issues for resolution and technical assistance to address them.

Closeout

- All obligations must be incurred on or before the last day of the period of performance.
- Liquidation period of up to 120-days after to make any remaining payments.
- After submitting the Final Performance Report, Final FFR, and last drawdown in ASAP, the GAA submits the closeout.
- **Note:** the ASAP account will be suspended automatically upon submission of the closeout or 120-days after the project end date.
